In the Matter of

THE REQUEST OF THE HENDERSON-UNION)	
RURAL ELECTRIC COOPERATIVE CORPORATION)	CASE NO. 7844
FOR APPROVAL OF A COMPUTER METHOD OF)	
MAINTAINING METER RECORDS)	

O R D E R

On July 2, 1979 and January 16, 1980, the Commission received letters from Henderson-Union Rural Electric Cooperative Corporation, wherein it was requested that approval be given to an arrangement whereby a computer printout method of maintaining meter records be adopted to replace the old single card method. The letters were treated as an application by the Commission.

This application was made in accordance with the requirements of 807 KAR 50:015, Section 15(1) (b) and (2) (a), and 807 KAR 50:015, Section 24.

The Commission, after a review of the application finds that the program as outlined will provide the information required in Commission Regulation 807 KAR 50:015, Section 15(1) (b) and (2) (a). It should be understood that the necessity of maintaining by other means the information required in 807 KAR 50:015, Section 15 (1) (a), still exists as stated therein.

Inasmuch as this computer method of maintaining meter records meets the requirements for Historical data, the Commission finds that the proposed arrangement is in the public interest and should be approved.

IT IS THEREFORE ORDERED that the Henderson-Union Rural Electric Cooperative Corporation be and it is hereby authorized to adopt a computer method of maintaining meter records as more specifically outlined in the application as long as all other requirements of the Commission as specifically set out in the Rules and Regulations are followed.

Done at Frankfort, Kentucky, this 29th day of April, 1980.
